

New Wave Application note:

Symptom:

New Wave automation screen does not appear correctly. It looks as if the software extends beyond the edge of the screen.

Solution:

- Go to the PC Start menu
- Control Panel
- Display
- Select the “Smaller” font option
- restart the PC

If this does not correct the problem, then adjust the screen resolution at:

- Go to the PC Start menu
- Control Panel
- Display
- Adjust resolution
- Select the proper screen size
