

Master Library Collection... for Arrakis Automation Products

- Completely re-mastered in 2010 for today's players
- Recorded as MP3s at 256kbps for professional audio quality
- Silence has been trimmed from the front and back of the audio files
- Audio level has been 'Normalized' to maximum level for consistent playback
- Audio files have been named in Digilink-Xtreme format so they are ready to use
- The 'Intro time to Voice' and segue 'EOM' times have been set on each file for overlaps

\$ 999.95 list price per library

Ripping, processing, compressing, and setting data on music is time consuming and expensive. And because today's rippers and compressors are so much better than just a few years ago, Arrakis has completely remastered our radio library collection to make your life easier and your sound better.

Call or email Arrakis today to get a current song and artist list for your favorite years and genres.
